

PREREQUISITE

IBM Cloud Service

Date	01 November 2022
Team ID	PNT2022TMID33098
Project Name	Project – IOT Based Real – time River Water Quality Monitoring and Control System
Maximum Marks	4 Marks

IBM Account Dashboard

The screenshot displays the IBM Cloud Account Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account, 'SUBASHINI S's Account'. The main content area is titled 'Dashboard title' and features a 'Save dashboard' button and a 'Cancel' link. Below the title, there is a 'For you' section with a grid of six cards. The first card, 'Build', is highlighted in blue and contains the text 'Explore IBM Cloud with this selection of easy starter tutorials and services.' The other five cards are: 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), 'Learn about IAM Roles' (5 min), and 'Build a virtual machine' (7 min). Each card includes a 'Getting started' button. At the bottom of the dashboard, there are four panels: 'News' (listing 'IBM Cloud Satellite New Pricing', 'IBM Cloud Data Shield Deprecation', and 'IBM Watson Orchestrate Is Integrating with ThicWau Global'), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a grid of status indicators).
